NewLook International, Inc. Absorbent™

Technical Information Sheet

NewLook International, Inc. Absorbent™ Liquid Waste Solidifier offers an environmentally safe way to dispose of unused water-based stains, paints, and sealers. Most landfills do not accept waste in a liquid form. Save time and money by simply adding this product to your bucket. Ideal for quickly containing jobsite spills. Keep an Absorbent bag or bucket in your vehicle or tool kit for annoying spills that would otherwise eat away at valuable productive hours.

FEATURES AND BENEFITS

- One 2.5 ounce bag will harden up to a ½ gallon of left-over stain.
- One 30 lb. pail will harden approximately 95 gallons.
- Non-regulated by the U.S. D.O.T.
- Easy to Use
- Works in minutes
- Non-toxic
- Curb-side disposal
- Environmentally sound

RECOMMENDED USAGE

- Disposal of water-based stains, sealers, and paints.
- Disposal of any water-based product that otherwise is safe for disposal in a landfill except for the fact that it is a liquid.
- Spills of stains, sealers, and paints.

PRODUCT DATA

- Appearance: White Granular.
- Density: 25-31 lbs/cubic foot.
- One 2.5 oz. bag will harden up to a ½ gallon of left-over stain.
- One 30 lb. pail will harden approximately 95 gallons.

CAUTION

KEEP AWAY FROM CHILDREN AND ANIMALS. Before using or handling, read the MSDS and Product Instructions. DO NOT CONSUME. Avoid contact with eyes and skin. Wear rubber gloves, aprons and safety eye goggles. Use good hygiene when handling this product. It is recommended that you wash and bathe after each use. Avoid handling product dust. Avoid inhalation.

WARRANTY

NewLook International, Inc. Absorbent™ (“Product”) is not intended for public use and are intended for use by licensed contractors and installers, experienced and trained in the use of these products. Product is warranted to be of uniform quality within manufacturing tolerances. The manufacturer has no control over the use of Product, therefore no other oral or written representation or statement of any kind, express or implied, now or hereafter made is authorized or warranted by NewLook International, Inc. or its affiliates, and NewLook International, Inc. and its affiliates hereby disclaims all such warranties, including those of merchantability or fitness for a particular purpose. In any case, the manufacturer’s obligations shall be limited to refunding the purchase price or replacing material proven to be defective. NewLook International, Inc. shall not be liable for special, incidental, or consequential damages, including delays or lost profits. Communication of this warranty and its limitations to end users is not the responsibility of NewLook International, Inc. but should be communicated by those in direct contact with the end user. Any claim regarding product defect must be received in writing within one year from the date of manufacture. No claim will be considered without such written notice or after the specified time interval. The end user shall be responsible for determining Product’s suitability and assumes all risks and liability.

DISPOSAL

Dispose of hardened waste in accordance with applicable environmental and governmental regulations.

DIRECTIONS FOR USE

1. Add the crystals to the waste or spilled liquid. One cup of water may be added to thick paint for ease-of-use.
2. Stir mixture until thick.
3. Scrape spills into a pile.
4. Dispose of as regular garbage in accordance with local regulations.

WARNING

If you scrape, sand, or remove old paint, you may release lead dust or fumes. LEAD IS TOXIC. EXPOSURE TO LEAD DUST OR FUMES CAN CAUSE SERIOUS ILLNESS, SUCH AS BRAIN DAMAGE, ESPECIALLY IN CHILDREN. PREGNANT WOMEN SHOULD ALSO AVOID EXPOSURE. Wear a properly fitted NIOSH-approved respirator and prevent skin contact to control lead exposure. Clean up carefully with a HEPA vacuum and a wet mop. Before you start, find out how to protect yourself and your family by contacting the USEPA National Lead Information Hotline at 1.800.424.LEAD or log on to www.epa.gov/lead. In Canada, contact a regional Health Canada office. Follow these instructions to control exposure to other hazardous substances that may be released during surface preparation.

STORAGE

- Store product indoors, away from heat, moisture, and direct sunlight.
- Keep containers tightly sealed.
