Section 1
Product and Company Identification:

Product Name:
NanoSet™ Color

Product Use:
Concrete dye for polished concrete

Manufacturer’s Name:
NewLook International, Inc.

Manufacturer’s Address:
1525 South Gladiola Street Suite 8 Salt Lake City, UT 84104

Information Phone:
NewLook International, Inc. 801.886.9495 or 877.763.9566

Emergency Contact:
CHEMTEL 1.800.255.3924, Outside the USA +1.813.248.0585

Section 2
Hazards Identification:

Product Hazard Category:
Acute Toxicity – Category 4 (Inhalation) Category 2 (Ingestion)
Skin Corrosion – Category 3
Eye Irritation – Category 2B

Label Content: Pictogram

Signal Word: WARNING

Hazard Statement:
May cause eye irritation
May cause skin irritation
May cause respiratory irritation
Causes adverse reactions if ingested

Precautionary Statement: Prevention
Wear Safety goggles to protect eyes.
Wear chemically resistant gloves and aprons to minimize contact with the skin.
When respiratory protection is required, use only NIOSH/MSHA approved respirators in accordance with OSHA Standard 29 CFR1910.134.
Use only with adequate ventilation.
Do not take internally.
Keep out of the reach of children.
Wash hands thoroughly after handling, especially before eating or smoking.

Other Hazards: Not Known

Section 3
Composition/ Information on Ingredients:
### Section 4
**First Aid Measures:**

**Precautionary Statements:** Response

**Inhalation:** Move to fresh air. Give artificial respiration, if not breathing. If breathing is difficult, seek medical attention.

**Ingestion:** If swallowed, DO NOT induce vomiting seek medical attention immediately.

**Eye Exposure:** Immediately flush eyes with large amount of water for at least 15 minutes, occasionally lifting upper and lower eyelids. Seek medical attention immediately.

**Skin Contact:** Wash exposed area with water, then soap and water. Remove and clean contaminated clothing. If irritation persists, seek medical attention.

### Section 5
**Firefighting Measures:**

**Suitable Extinguishing Media:** Use water fog, dry chemical, or CO₂

**Unsuitable Extinguishing Media:** Not Known

**Specific Hazards in Case of a Fire:** Keep containers tightly closed. Isolate for heat, sparks, electrical equipment or open flame. This material may produce a floating fire hazard, since the vapor may travel or be moved by air currents and be ignited. Extinguish and DO NOT turn on any ignition source until the area is determined to be free from fire or explosion hazard. Do not allow build-up of flammable or combustible vapors in confined spaces.

**Special Protective Equipment and Procedures for Firefighters:** Wear self-contained breathing apparatus with a full-face piece operated in positive pressure mode and full protective clothing. Water may be used to cool closed containers to prevent pressure build-up and possible ignition or explosion in extreme heat.

### Section 6
**Accidental Release Measure:**

**Personal Precautions:** Wear personal protective equipment, such as a respiratory mask.

**Environmental Precautions:** Do not allow product to seep into drains, sewers and natural water. Spills should be collected with absorbent, like NewLook’s Absorbent, for disposal. Place in a labeled container(s) to be sealed for disposal. Only the slightest residue should remain. Try to save any uncontaminated product for use, whenever possible. Dispose in accordance with applicable local, state or federal regulations.

### Section 7
**Handling and Storage:**

**Precautions for Safe Handling:** Store in a cool, dry place with adequate ventilation. Keep containers closed when not in use. Take precautions against static discharge when mixing, cleaning, filling or otherwise dispensing. Ground container when applicable.

### Section 8
**Exposure Control/ Personal Protection:**

**Exposure Limits:**

**Information on System Design:** Use only with adequate ventilation. Keep container closed when not in use.

**Appropriate Engineering Controls:**

**Engineering Controls:**
- Eyewash Stations
- Showers

**Eye Protection:** Wear safety goggles.

**Skin Protection:** Wear chemically resistant gloves and aprons to minimize contact with the skin.

**Respiratory Protection:** Use only with adequate ventilation. Avoid conditions, which result in formation of inhalable particles, such as spraying or sanding painted surfaces. If such conditions cannot be avoided, use respiratory protection only use NIOSH/MSHA approved respirators in accordance with OSHA standard 29 CFR1910.134.

**General Hygiene Considerations:** Wash hands thoroughly after handling, especially before eating or smoking.

**Section 9  
Physical & Chemical Properties:**

- **Physical State:** Liquid
- **Color:** Various
- **Odor:** Mild aromatic
- **Odor Threshold:** N/A
- **pH Value:** 5.5 – 8
- **Melting Point:** N/A
- **Freezing Point:** N/A
- **Initial Boiling Point:** N/A
- **Flash Point:** 162°F
- **Evaporation Rate:** N/A
- **Flammability (solid, gas):** Not Flammable
- **Explosion Limits:** Lower Limits: N/A Upper Limits: N/A
- **Vapor Pressure:** N/A
- **Vapor Density:** N/A
- **Solubility:** Soluble
- **Auto Ignition Temperature:** N/A
- **VOC:** 73.00 g/l

**Section 10  
Stability & Reactivity:**

- **Stability:** Stable
- **Hazardous Polymerization:** Will not occur
- **Conditions to Avoid:** Elevated temperatures, flames and ignition hazards
- **Materials to Avoid:** Oxidizing agents or strong alkalis.
- **Hazardous Decomposition Products:** Oxides of carbon, nitrogen and sulfur in fire

**Section 11  
Toxicological Information:**

- **Routes of Entry:** Inhalation and Ingestion
Toxicity to Animals: Non-irritating  
Chronic Effects on Humans: Not Established  
Special Remarks on Toxicity: Unlikely to cause harmful effects under recommended conditions of handling and use.

Section 12  
Ecological Information:

Eco-toxicity: Not Established  
BODS and COD: Not Established  
Products and Biodegradation: Not Established  
Special Remarks on the Product of Biodegradation: Ingress to waterways may cause persistent, pigmented turbidity.

Section 13  
Disposal Considerations:

Waste Disposal Method: material that cannot be re-use should be disposed in accordance with federal, state and local environmental control regulations at an authorized site. This product is non-hazardous. However, if used in hazardous material should be subject to RCRA hazardous waste disposal (400CFR 261.20-24)

Section 14  
Transport Information:

DOT Proper Shipping Name: Concrete Dye  
DOT Hazard Class ID Number: Non-hazardous, Not required, Class 55

Section 15  
Regulatory Information:

CERCLA / SUPERFUND: (40 CFR 117,302) Reportable Quantity (RQ): Not reportable. However, we recommend you contact local authorities to verify requirements for your project work site.

Superfund Amendments and Reauthorization Act (SARA), Title III:  
Section 302: None  
Section 311/312: Delayed Health Hazard

State Regulations  
California Proposition 65 Warning: This product contains “chemicals” known to the state of California to cause cancer and birth defects or other reproductive harm.

CA = California safe drinking water and toxic enforce Act (Proposition 65)  
MA = Massachusetts Hazardous Substance List  
NJ4 = New Jersey Other – included in 5 predominant ingredients > 1%  
PA3 = Pennsylvania Non-Hazardous present at 3% of greater  
CN1 = Canada WHMIS Ingredient Disclosure List over 1%

Other Information:

The SDS should be read before product disposal. Pass SDS information to all persons who could be exposed to the product. The SDS has been prepared according to OSHA hazard Communication Standard (29 CFR 1901.1200). To the best of our knowledge, the information contained herein is accurate and based on sources believed to be reliable. However, since data, safety standards and government regulations are subject to change, NewLook International, Inc. makes no warranty, either expressed or implied, with respect to the completeness or continuing accuracy of the information contained herein and disclaims all liability for reliance thereon. The data on this sheet is related only to this specific material. It may not be valid for this material, if used in combination with other materials. It is the end users responsibility to determine suitability and completeness of this information with regards to a particular use. Additional information may be necessary or helpful for specific conditions and circumstances of use. Unknown hazards may exist and this material should be used with caution. NewLook International, Inc. assumes no legal responsibility for use or reliance upon this data.
